

CUMBERLAND PEDIATRIC FOUNDATION

December 8, 2011

CONGRATULATIONS KATIE!

Message from Ann Manning

I want to let you know that Katie Allen Neal's last day with CPF will be December 30th. She has accepted a new position where she will be able to pursue her passion of technology consulting. We are very happy for this new phase of Katie's career and for the exciting challenge ahead of her. She has been a wonderful asset to Cumberland and will be greatly missed.

SECURITY ASSESSMENTS DISCOUNT

CPF has negotiated competitive rates for technology security assessments with Ion IT Group. These assessments are particularly valuable in fulfilling the security analysis portion required to reach meaningful use. If you are interested in this assessment, please contact Robbie Morris, Vice President of IonIT at 615.351.4796 or RMorris@IonITGroup.com. You may also visit their website at www.IonITGroup.com.

BRIEF SURVEY

Message from Elizabeth Williams, MD, Vanderbilt Vaccine Research Program

We would like to ask you to complete a brief survey regarding the potential development of a free service for providers to have questions regarding vaccine safety answered by trained individuals and experts quickly and efficiently. Your individual responses will be kept confidential and the survey results will only be reported in aggregate form. If you have any questions please contact Elizabeth Williams MD at 615-322-88344 or elizabeth.williams@vanderbilt.edu.

You may open the survey in your web browser by clicking the link below:

[Vaccine Safety Advice Network Provider Feasibility Survey](#)

If the link above does not work, try copying the link below into your web browser:

<https://redcap.vanderbilt.edu/surveys/?s=7gyJx4>

Your participation will help guide this effort and is truly appreciated.

Thank you for your time and consideration.

VANDERBILT ORTHODONTICS NAMED BEST IN NASHVILLE

The Vanderbilt Orthodontic Clinic was named Best Orthodontist by *Nashville Parent* magazine as ranked by their 14th Annual Best of Parenting Awards for 2011.

The Best of Parenting reader's poll is conducted each year, with ballots submitted online beginning July 1.

This year's winners were announced in the magazine's November issue.

The Vanderbilt Orthodontic Clinic provides orthodontic treatment for children and adults, and also treats related craniofacial and dentofacial conditions, such as cleft lip and palate and obstructive sleep apnea. The division works closely with specialists in Oral Surgery, Plastic Surgery, Otolaryngology and Neurology to treat complex disorders that require multidisciplinary care.

For more information or to refer a patient to the Vanderbilt Orthodontic Clinic, please call 615-343-0633.

GRAND ROUNDS

Pediatric Grand Rounds are held each Tuesday morning from 7:45 to 8:45 a.m. in the Monroe Carell Jr. Children's Hospital at Vanderbilt Theater, Room 2210.
