PROJECT BRAIN

Cumberland Pediatric Foundation has partnered with Project BRAIN
to provide resources to you and your patients regarding traumatic brain injuries.
Project BRAIN has provided PDF documents which serve as tools to recognize
the signs and symptoms of traumatic brain injury.

The "Brain Injury-Child Signs & Symptoms Flyer" is friendlier to a younger audience,
and the "Brain Injury-All Ages Signs & Symptoms Flyer"
with the same content, is formatted for young adults and all ages.

Click [here](#) to find these documents in English and in Spanish on our website, or visit our website
(www.cumberlandpediatric.org) and find the documents under Resources,
Useful Links and Patient Information.

If you would like more information about Project BRAIN,
please contact Sarah Sampson, Communications & Outreach,
Project BRAIN (A Program of the Tennessee Disability Coalition) at 615-515-8617
or visit www.tndisability.org.
