Calling All Early Birds!

Is your practice interested in sponsoring an Early Bird Rounds meeting this year? There is no cost to you and this is a great opportunity to answer questions that will help your practice and your patients. These meetings take place before Grand Rounds at VCH on the third Tuesday of each month. If you are interested or would like more information, contact Mandy Thompson.

Tickets! Tickets!

Tickets are going fast for the CPF Social and VU vs. Auburn Men’s Basketball Game on January 23rd. CPF is hosting a pre-game reception with a catered meal in the Admiral’s Room at the Memorial Gym. Members may register for two tickets, but tickets are limited. To RSVP, email Mandy Thompson.

Pediatric Grand Rounds

01/22/13

Thomas A. Hazinski Lecture
Lawrence M. Nogee, MD
Professor of Pediatrics
Eudowood Neonatal Respiratory Division
Department of Pediatrics
Johns Hopkins University School of Medicine
"Genetic Surfactant Dysfunction: Implications of Rare Disorders"

We need your input!

CPF is in the process of developing a group purchasing discount for our members on office supplies. Please give us your feedback by answering the questions in the survey link below.

Rockin' the Roundtable

Please join us for a luncheon and roundtable discussion with other members in your area. We will meet in Madison on January 23rd at Logan’s Roadhouse. This meeting will be sponsored by Sanofi Pasteur who will be leading a discussion and presentation on Sanofi vaccine supply updates, pricing, etc. This will be a great opportunity for you to get answers to questions you have regarding vaccines. Physicians are invited to attend as well as office managers. To register, click here.

Locum Tenens

A pediatric practice in Hendersonville, TN is looking for someone to work in their office during the first week of April. If interested, please call the CPF office at 615-936-6053.

Deepest Sympathy

CPF would like to extend our sympathy to the family of Dr. Dan Sanders, Jr., who passed away this week. He served as president of the Nashville Academy of Medicine, Davidson County Pediatric Society, and Tennessee Pediatric Society. After retiring from private practice, he worked at the Disability Determination Section for the State of Tennessee. Source: The Tennessean
